CHAPTER 2

PERCENTAGE TABLES

This chapter contains your parent survey results in tabular form. Each table corresponds to an item on the questionnaire. The *N of Valid* column contains the number of parents responding to the item and the *N of Missing* column contains the number of parents not responding to the item. The remaining columns contain the percentages of parents responding to the particular response categories.

The percentage tables of the report appear in the same order as corresponding questions on the questionnaire. The Table of Contents contains the percentage tables by section and gives the page number where each section is located. The List of Tables contains the location of each individual table.
